

RMKM Architecture, P.C. is seeking a talented Architect or Intern Architect to join our New Mexico office. Based in the historic Simms building in downtown Albuquerque, the firm's diverse work centers on public and institutional project types, including libraries, healthcare, public safety and justice, education, and museums.

The ideal candidate is an enthusiastic Revit modeler, with experience in a variety of project types, and possesses excellent interpersonal skills allowing for effective communication in a collaborative team environment. Additionally, they have great organizational abilities and are self-motivated to solve challenging problems.

Preferred Qualifications:

- A Minimum of 3 years of experience
- Working knowledge of Revit software
- Experience with Sketchup
- Experience with Microsoft office suite

RMKM offers a competitive salary and benefits package including 401K, Dental, Vision, and Medical coverage. Salary is dependent upon experience.

If you have the listed qualifications, and would like work on interesting and challenging projects, please send your cover letter and resume to: hr@rmkmarch.com
