

The Albuquerque Chapter of the American Institute of Architects (AIA) is pleased to offer the option of Allied Membership to individuals, businesses and corporations who provide goods and services to architects and their clients. The purpose of the Allied Membership is to foster the development of long term professional relations within the architectural community between architects and allied industries. This Allied Membership is to the local Albuquerque AIA chapter only and the terms and conditions of this membership are defined by the AIA Albuquerque Board of Directors.

COMMUNITY BUILDING

Allied Members are not just members of AIA Albuquerque but are members of the larger Albuquerque architectural community. Annual programs and events provide the opportunity for Allied Members to interact with Albuquerque architects during educational sessions and other events of a more relaxed and social nature. These events include the monthly chapter lunch meetings, gallery openings, movie nights, golf tournaments, conferences and seminars and our year-end awards gala.

SPECIAL SPONSORSHIP OPPORTUNITIES

Special programs and events allow Allied Members to participate at a higher level of sponsorship:

Chapter Lunch Meetings

Allied Members may sponsor a chapter lunch meeting for \$400. Sponsorship allows an Allied Member a 5 minute presentation at the chapter meeting as well as have a product display table for the duration of the meeting. This level of sponsorship has gained popularity among Allied Members and sells out a year in advance

Movie Nights

Allied Members have pulled together to sponsor our very popular twice a year movie nights (150 in attendance) at the Guild Theater. A single \$500 sponsorship, or four \$125 sponsorships are offered. Included in this sponsorship is your company name on all tickets distributed, on our web site, in the weekly e-bulletin and in a PowerPoint presentation that loops continuously prior to presentation of the movie.

Golf Tournament

Offers several levels of sponsorship and allows for one-on-one interaction with architect golfers who participate in the tournament. The cost of these individual sponsorships is available on request.

DISCOUNTS

While our Allied Member list is published in all our publications, Allied Members are offered additional discounted rates for advertising in all AIA Albuquerque publications and pay the same registration fees as AIA Albuquerque architect members. Detailed information on the various advertising opportunities is made available to all our Allied Members throughout the year.

Each of the three membership levels Gold, Silver and Bronze include the general benefits described in this brochure. Specific member privileges are accorded to each level of membership as follows:
