

Woven Architecture is seeking an experienced full-time **PROJECT ARCHITECT** with commercial project experience in office, government, historic projects, and hospitality. Our ideal candidate is adept at documentation, cares about design, is familiar with both AutoCAD and Revit, can work independently and as part of a team, is well organized, and curious. We encourage leadership, including taking informed chances to move a project forward, the ability to coordinate and lead consultants, and to meet with owners and clients.

Responsibilities:

- Assist in moving existing projects through all design phases, including measured drawings, programming and concept design, through construction administration – with the goal of taking over leadership of individual projects.
- Continue to foster long-term, repeat client relationships through creative design solutions.
- Bring curiosity, design approaches, and creative ideas on how to solve design problems into the office.
- Actively participate in collaboration within the office.
- Assistance with developing design ideas into clear concepts for clients and owners.
- Assist in documenting code requirements and incorporating regulatory and code information into design documents

Qualifications:

- Bachelor's or Master's degree in Architecture or related design field.
- Minimum 6+ years of experience in architecture or related field; ideally 8 – 10 years.
- Active Architectural license in a US state preferred.
- Advanced knowledge and experience in Revit and AutoCAD is ideal (we use both).
- Knowledge of Bluebeam and the Microsoft Office Suite (Word, Excel, Project).
- Knowledge of Adobe Creative Suite a plus.

Compensation:

- To be negotiated based on experience and qualifications.
- Woven offers 401(k), access to health insurance, and option for flexible hours
- Potential for hybrid work schedule (ideally, 3 days a week in the office).
- Paid personal leave and holidays
- Access to conferences and training
- Other benefits as negotiated

Based in Santa Fe, Woven Architecture has been in business since 1998 and are known for our cultural work including at Sky City Cultural Center and Haak'u Museum (Pueblo of Acoma), La Fonda on the Plaza (interior & architecture hotel renovation), and the Santa Fe Train Depot, among many other successful, award-winning projects. We currently have multiple projects with the City of Santa Fe, State of New Mexico, and private clients.
