STUDIO SOUTHWEST ARCHITECTS (STUDIO SW) – ARCHITECTURAL PROJECT MANAGER & PLANNER

The Opportunity / Why Studio SW

Studio SW team members are collaborative, creative, professional, experts, and enterprising. Joining our team requires skill, daring, leadership, engagement, humor, and a love of design. We are currently seeking an Architectural Project Manager and Planner to join our Albuquerque office. Our open studio atmosphere values creative thinking and a dynamic design process. We will provide opportunities to work on a variety of building types, with a range of clients requiring various paces of work and processes. We are also committed to professional development and strongly support volunteerism in the community. We are looking for an energetic, self-driven Architectural Project Manager and Planner with experience in a range of project types and who is a licensed architect with 7+ years of experience. This position does require physical presence in Albuquerque, NM with the opportunity for a hybrid remote work schedule.
