

# Landscape Designer – Yellowstone Landscape

## Job Description

Yellowstone Landscape is now hiring a Landscape Designer! As a Landscape Designer, you will work closely with the Business Development and Operations teams to produce graphic presentations and proposal documents that will be formally delivered to Yellowstone Landscape's valued clients.

*Yellowstone Landscape is dedicated to excellence in commercial landscaping. As the largest privately-owned commercial landscaping company in the nation, we offer exciting career opportunities for Landscape Professionals across the United States. To learn more, please visit our website: [www.yellowstonelandscape.com](http://www.yellowstonelandscape.com).*

### What You'll Do:

- Utilize graphics skills in order to implement a variety of graphic techniques, including hand rendering, Photoshop presentations, and assembly of graphics for presentation to clients.
- Catalogue and maintain project requirements, including client information, project program, budget, and schedule.
- Collaborate with relevant Business Development team members to ensure the efficient production and professional presentation of all design materials.
- Make preliminary and final sketches of proposed design solutions, checking dimensions of parts, materials to be used, relation of one part to another, and relation of various components to whole structure or project.
- Prioritize tasks to ensure that deadlines are met within our fast-paced environment.
- Travel to the branches within the Region.

### What we're looking for:

- 3-5 years previous landscape design. Strong plant knowledge.
- Bachelor's Degree a plus.
- Working knowledge of AutoCAD, Photoshop, Adobe Creative Suite, Realtime Landscape or Realtime Architect, DynaScope and other graphic software.
- Exceptional written and verbal communication and presentation skills.
- Superb time management skills, organizational skills, and attention to detail.
- Ability to work both independently and foster a team environment.
- Experience with estimating software and Excel a plus.
- Proficiency with Microsoft applications; and an openness to embracing new technology.

### Why join Yellowstone?

- Competitive pay; paid weekly.
- Full group benefits package including health, dental, vision, 401k with a company match, paid time off and holiday pay
- Aggressive incentive plan
- Industry leading safety programs
- Company provided work shirts and safety gear
- Equipped with optimal and most professional equipment
- High profile customers, worksites and landscape results
- Opportunity to advance within one of the industry's fastest growing companies
- A company that values and appreciates YOU

Become part of the team dedicated to *Excellence in Commercial Landscaping*
