

ArchitectureWeek

April 12-18, 2026 | #ArchitectureWeek

VIRTUAL READ-ALOUDS

It's never too early to start thinking like an architect!

Architecture Week is a nationwide celebration recognizing the power of good design, with a goal of inspiring hopeful architecture and design professionals and K-12 students.

Gather your students and join architecture and design children's book authors throughout Architecture Week for a virtual read-aloud followed by Q&A.

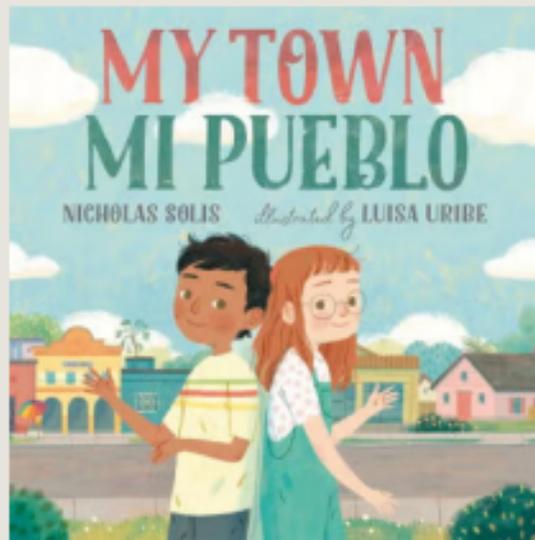

[All times noted are Eastern Standard Time. Click the book image to register for your favorite session(s)].
